COACH'S CHEAT SHEET

11 drills · 4 pods · mastery ladder · soft balls until earned · end on a save & a cheer.

ATTACK THE BALL (B2)

Step AT the shot; the “T” happens on its own. Don’t coach the letter.

A TRACKING & NO-FLINCH

A1 BUCKET TOSS TRACKING

Eyes lock on and follow the ball all the way in. Zero pressure.

L3: Catches ~8 of 10 while stepping to the ball, eyes never leave it

EYES IN! TRACK IT! HUNT IT!

A2 THE BOUNCE WALL

Get comfortable with a ball moving at him and reacting to a bounce.

L3: Handles one-hop bounces both sides, body behind it, ~7 of 10

STICK DOWN! STEP & STOP! STAY SQUARE!

A3 RAPID-FIRE HANDS

No-flinch reflex — get a stick up fast, repeatedly, eyes open.

L3: Tracks 5-6 in a row eyes-open, calm hands, ~8 of 10 touched

EYES OPEN! HANDS UP! RESET FAST!

MASTERY: L1/L2/L3

Learning → Competent → Game-ready. Effort first; numbers only at L3.

B ARC & STEPPING

B1 THE ARC WALK

Stay on the curved top of the crease — always between ball and net.

L3: Matches a faster random-moving coach and freezes square on command

TOP OF ARC! DON'T CROSS! STAY SQUARE!

B2 STEP & ATTACK THE SHOT STEP

Attack the ball — step toward the shot. The “T” happens on its own when he moves right.

L3: Drives to high/wide shots and saves ~half of them, nose to the ball

STEP TO THE BALL! ATTACK THE SHOT! PUSH, DON'T REACH! NOSE TO BALL!

B3 HIGH-LOW-SIDE REACTION

Match the right move to each of the four save zones, automatically.

L3: Reads random zones and resets each time, right move ~7 of 10

MATCH THE ZONE! HANDS LEAD! BACK TO READY!

REBOUND + WIDE CLEAR

Chase pop-loose; clear to the sideline, never up the middle.

C SAVE, REBOUND & WIDE CLEAR

C1 SAVE, CLAMP & REBOUND HUNT REBOUND

Secure it — and if it pops loose, attack the rebound instantly.

L3: Secures or re-scoops ~7 of 10, then outlets, in a live rep

SAVE & SQUEEZE! HUNT THE REBOUND! SCOOP & GO!

C2 HOT POTATO WIDE CLEAR WIDE

Save, beat the 4-second count, clear to the wide sideline alley.

L3: Beats the 4-count with a completed wide pass ~7 of 10

HOT POTATO! FEET OUT! CLEAR IT WIDE!

C3 FULL PLAY LIVE REP

Everything at tempo: track, step, save, hunt, wide clear — one rep.

L3: Runs the full play on light real balls, ~half clean, talks through it

SEE IT, STOP IT! HUNT & CLEAR WIDE! WHOLE PLAY!

TALK (POD D)

Ball Top, Left, Right, Check, One More, Break. A talking goalie wins.

D CREASE COMMAND & COMMUNICATION

D1 BALL-TOP CALLER TALK

Learn the four basic location calls and say them loud, every time.

L3: Talks through most of a moving drill loudly without being told

BALL TOP! LEFT! RIGHT! LOUD & PROUD!

D2 SAVE & SHOUT BREAK TALK

Tie talking to the save — read the threat early, then call the break.

L3: Reads the threat, calls “Check!”, saves, calls “Break!” (or “One More!”) — every rep, unprompted

CHECK! ONE MORE! BREAK!

BEAT YOUR NUMBER

Races his own best — the only opponent is yesterday. 10 announced soft shots; count every ball he gets a body or stick on (touches count).

DON'T WAKE THE DRAGON

The net is a sleeping dragon's cave — keep it asleep. Starts with 5 “sleep” points; each save keeps the dragon asleep.
